02 The Logo

Primary logo

Inverted, on Ninja Deep Blue Background

On Ninja Medium Blue background

For further information please observe our clear space rules and minimum size requirements. Please don't use NinjaRMM's logo in a way that suggests sponsorship, endorsement, or affiliation by NinjaRMM. Or in a way that could confuse NinjaRMM with another brand.

Brand

03 Clear space requirements and minimum size

Clear space requirements

In case of the logo with slogan, the clear space required equals the height of the logotype x-height (marked with x).

Minimum size print

Always keep in mind the minimum size requirement. On print materials, the logo will not be used with sizes lower than 13.3 mm wide and 5 mm in height. On screen the minimum size is 53.2px wide and 20px in height.

Never use the logo in spaces where the minimum size requirements and clear space requirements cannot be met. In these situations please request more information from the owner of the brand.

04 Icon and favicon

Logomark and favicon

Icon on color background

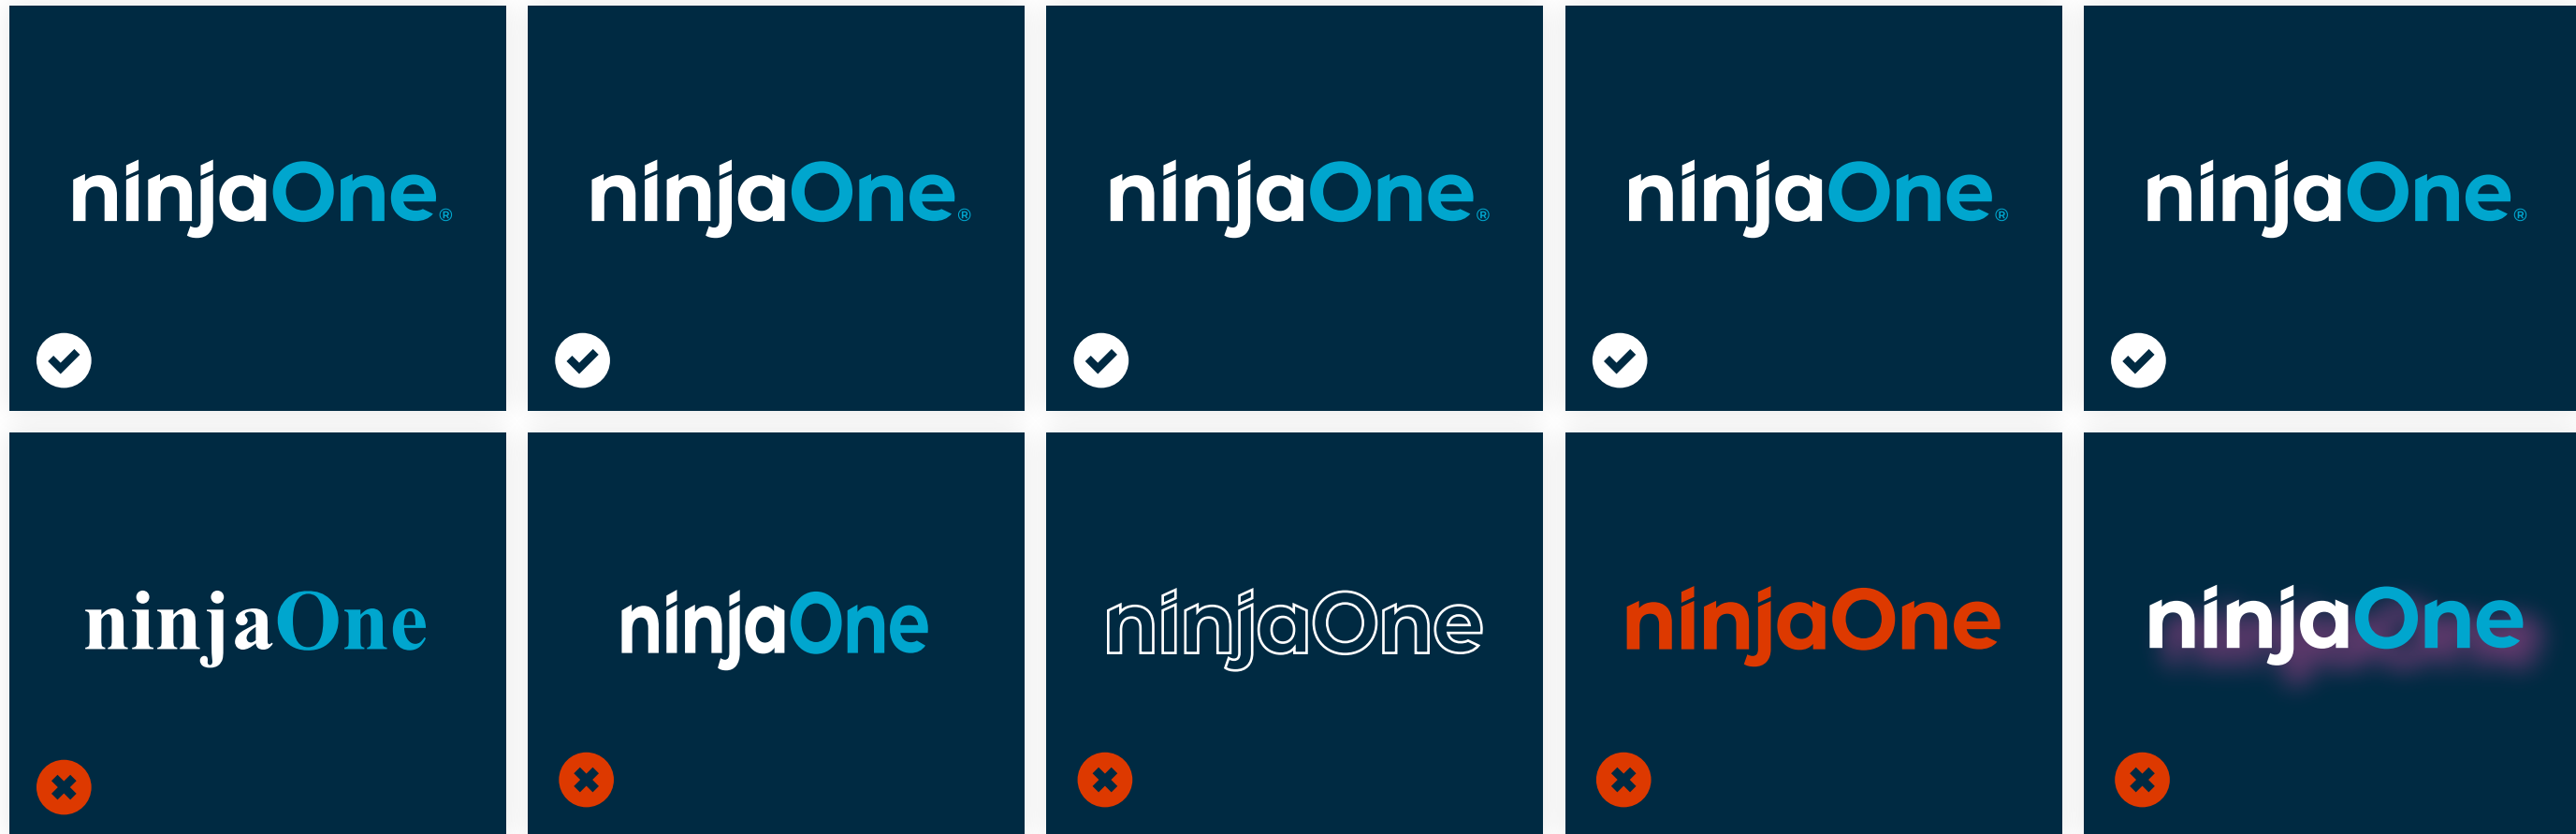

Favicon minimum size

On screen, the logo will not be used with sizes lower than 16px in height (favicon, icon).

Please don't use NinjaRMM's logo in a way that suggests sponsorship, endorsement, or affiliation by NinjaRMM. Or in a way that could confuse NinjaRMM with another brand.

05 Logo dos and don'ts

Do not change the logotype font, always keep logo integrity and form as shown on page 2.

Do not stretch the logo. Always maintain the ratio of the main logo.

Do not outline the logo. Keep the integrity of the logo as presented on page 2.

Do not change the logo colors, always maintain original colors, as mentioned on page 2.

Do not use the styles, like drop shadow or glow effects.
